FROM THE INTERIM DIRECTOR’S DESK

Welcome to OLLI’s Summer session.

I am excited to be your steward as we embark on OLLI’s Summer 2022 session.

Thank you for welcoming me and helping me get up to speed on "everything OLLI!" I hope that once you review our Summer Catalog you will agree that, along with our usual offerings, we have a lot of new classes on topics which we hope will offer something for everyone.

Now that the omicron variant numbers are going down, we are excited to offer more of our OLLI at UM classes either via Hybrid (in-person and via Zoom) or in-person only. Please note that for our safety, the University of Miami currently continues to require masks on campus; therefore, mask wearing is a requirement inside Lau Founders Hall (for both instructors and members) including during classes and inside classrooms. Thank you, in advance, for your continued understanding and compliance with this requirement.

We continue to strive to provide our members with the best possible learning experience and ask for your patience while we iron out any kinks in the teaching of our classes via the hybrid modality.

Now, let’s get ready to stay curious, stay connected and keep learning...

Michelle Alvarez
Interim Director, OLLI at UM

- **Eliminate distractions.** Make it less likely that anything will interrupt your meeting.
  
  - **MUTE your microphone.** This decreases background noise.
  - Close any unnecessary programs on the device you will be using to join the class/meeting.
  - **Turn off or silence other devices.**
  - Get everything ready beforehand. Get your coffee, water, etc.
  - If the instructor/host sent out any content ahead of time, have it open and ready to view.
  - **Be on time.** If possible, join the meeting 5 minutes early using your desired method. Due to privacy issues and hacking, some instructors are closing the meetings shortly after starting. This will NOT allow you to get in after the class starts. Please be on time.
  - **Tip: Connect video.** This gives the class/meeting a more personal feel.

COVID-19 GUIDELINES

Even though the wearing of masks in indoor spaces on the Coral Gables campus is now optional, masks are helpful in preventing infection and will continue to be needed in certain circumstances.

The members of OLLI at UM fall under “those who are at high risk for severe illness.” We invite those of you who feel more comfortable wearing a mask to continue to do so while inside Lau Founders Hall and during all classes.

We will continue to keep you advised of all developments and thank you for your patience and understanding as we strive to keep our OLLI membership, instructors, and staff safe.
OLLI at UM has received a generous endowment from the Bernard Osher Foundation. The investment income from the endowment, class tuition, annual membership fees, and donations from our members help sustain OLLI at UM and ensure that our classes are of the highest quality and accessible to a large population of people age 50 and over in our community. We are committed to the continuous improvement and enhancement of your experience at OLLI at UM, but we need your help. Through your donations, we can make improvements to our program. Donations also allow us to offer OLLI scholarships, which make our already reasonably priced classes even more accessible to those in need of assistance.

To donate online, please go to our website and complete our secure electronic donation form at olli.dcie.miami.edu.

To donate by mail, make your check out to University of Miami and write either OLLI at UM or OLLI at UM Scholarship on the memo line. Send your donation checks to:
